#### **Suggestions by Students:**

Students mainly focused on the use of Technology in the classroom, timely conduct of classes as per Timetable and completion of course on time. They are suggesting that some of the classes should be done with ICT tools, like presentation, practical (where needed), digital boards, etc. Issues related to a smaller number of classrooms in the college are also highlighted by some of them. In addition, some students have given positive feedback regarding Teachers, college, and other factors related to their learning in Abhayapuri College.

#### Action taken Report

The analysis of overall feedback of students shows that majority of students are happy with overall performance of the Institution. A few students have issues regarding use of ICT in class, out of classroom learning, syllabus & curriculum, field visit and students' exchange.

All issues are discussed in the academic committee meeting and discussed the issues of feedback by students and resolved that each department should use more ICT based class, more students exchange programme in the next session.
