### **Suggestions: Summarized**

**Positive Feedback:** Many alumni expressed pride in the college, praising the efforts of the faculty and the overall development of the College.

**Infrastructure Improvements:** Alumni suggested upgrading canteen facilities, classrooms-quality desk bench, and overall infrastructure, including the addition of more classrooms, seminar facilities, and updated instruments in laboratories. They also recommended installing CCTV cameras in key areas and constructing a stadium near the college hostel.

**Career Guidance:** Alumni asked for enhanced career guidance, including sessions on NET, SLET, and other competitive exams, as well as better counselling and vocational skills training.

**Health and Well-being:** Some alumni emphasized the need for initiatives focused on physical and mental health, as well as awareness programs to discourage the use of addictive substances.

**Digitalization and Modernization:** Alumni highlighted the need for digitalization and the introduction of more practical, industry-relevant skills alongside the general curriculum.

**Additional Suggestions:** The creation of an Alumni Office, the introduction of postgraduate programs, and the emphasis on sports were also mentioned.

### **Action Taken Report**

The analysis of feedback shows that the overall impression of the institution is positive. Based on some areas that lag behind and suggestions by alumni, initiatives have been taken to increase the number of smart classrooms, introduce new add-on and vocational courses. Provisions have also been made by some departments to introduce coaching classes for various entrance level examinations. Also, the coverage of CCTV has been increased within the campus which the authority aims to increase further in number. Sustainable campus development projects have also been implemented.
