Suggestions by Parents:

Parents are mainly focusing on the facilities that should be available in the college. They are suggesting that the College should develop overall, and the facilities should be provided to students in all aspects, in education sector or career opportunities. Some have mentioned about the poor water facilities and are requesting to improve that. Also, it is mentioned in suggestion to improve that number of Teachers in the College.

Action Taken Report

An analysis of parental feedback revealed overall satisfaction with key aspects of the college, though some areas required attention and lags behind. Suggestions included enhancing facilities, particularly water and sanitation, recruitment of more teachers to enhance student teacher ratio, and offering comprehensive career guidance. The administration aims to address these suggestions by improving facilities, increasing the number of staff, and conducting regular career counselling workshops to support students' holistic development. Aim is to increase parent-teacher interactions through recurring meetings and reporting for enhancing amenities such as water and sanitation.
