Foreword

This prospectus is designed for the students aspiring to take admission in Abhayapuri College, Abhayapuri. The main purpose of this prospectus is to acquaint the students with the educational atmosphere and the academic procedures during their specific stay at Abhayapuri College, Abhayapuri.

In this prospectus, students will learn about Regular campus life and the services available for them from the various departments and wings. They will also be apprised of current academic programmes offered and the requirements for their degree programmes.

While information and provisions contained in this prospectus normally apply, the College reserves the right to change any provision stated herein without prior notice. It is imperative that the prospectus is read in conjunction with Regular Regulations and with other important documents from department/wings pertaining to policies and regulations that affect students. If the students adopt and follow the guidelines in this document, they will enjoy the pleasure of success which comes through hard work and discipline.

Students willing to take admission at Abhayapuri College are advised to read thoroughly the prospectus before proceeding for admission.

Dr. Sadananda Nath, MA, PhD
Principal
Abhayapuri College, Abhayapuri

ABHAYAPURI COLLEGE: A PROFILE

Abhayapuri College came to its existence on the 13th of August, 1955 as a result of the zeal and tireless endeavour of some great minds of the locality under the leadership of late Govinda Chandra Dev Sarma and the whole-hearted support of the local people. The residents of Abhayapuri, the headquarters of the then Bijni Raj Estate and the people of the adjoining areas were fired by the dream of having a centre of higher education in this backward region and they joined hands for the cause. Since then, Abhayapuri College has been at the service of the region shaping young minds and paving their way to the future.

Abhayapuri College is situated at the heart of Abhayapuri town, the headquarters of North Salmara Sub-Division of Bongaigaon district, Assam. Abhayapuri is a small town nestled amidst isolated hillocks and blessed with an abundance of scenic beauty and a serene and pristine environment. The town and its surrounding area is scattered with many historical monuments that are a reminder of a bygone era. Abhayapuri gets its name after Ranee Abhayeswari, the queen of the former Bijni Raj Estate.

Beginning its journey with only the Arts stream, Abhayapuri College came to be incorporated under deficit Grants-in-Aid system by Assam govt. in 1962. Later on the college also **came under 2(f) and 12(b) recognitions by University Grants Commission (UGC)**. The Science stream, introduced in 1979, was also brought under the deficit Grants-in-Aid system in 1986 and with this the College took a Honours stride towards its goal of higher education in the region. At present the college has introduced the courses of UGC approved Vocational Degree Programmes in Information Technology (IT), Tourism and Travel Management (TTM) and Retail Management & Information Technology (RMIT).

It has been a fruitful but arduous journey for Abhayapuri College since last 7 decades. Due to the selfless and ardent efforts of the College authorities along with the co-operation of accomplished and dedicated teachers and office staff, students and the public of the locality, Abhayapuri College has been able to achieve its present prestigious position. It is a matter of pride that in the Golden Jubilee year of 2004 the College was assessed and accredited by the National Assessment and Accreditation Council (NAAC) with 'B' Grade during the first cycle of its inspection. In the year 2016, the college was again awarded 'B' grade (CGPA 2.50) by National Accreditation and Assessment Council (NAAC) during its **2nd Cycle of inspection**. In course of time Abhayapuri College has developed into an institution of excellence for higher learning. **It is a matter of pride for the Abhayapuri College fraternity that the college ranked 158 in Arts Stream and 152 in Science Stream in all India ranking of colleges surveyed by India Today Group during 2020.** Today, the hallmarks of the College are regular classes, good academic performance, periodic evaluation, ample opportunities for holistic growth, a disciplined ambience, and an affable teacher-student relationship. Abhayapuri College, on the journey towards its goal of a knowledge hub, has been adopting the following vision and mission.

VISION

To impart holistic and progressive education with a view to moulding students into competent, confident and responsible citizens ingrained with high moral and cultural values.

MISSION

* To impart higher education up to postgraduate level by using contemporary teaching-learning methods in both formal and distance learning modes.

* To offer a host of career oriented and vocational courses including computer courses so as to equip students to confidently face competition and the growing demands of the fast-changing job market.

* To develop a scientific temperament and instil humanitarian values in young minds.

* To raise awareness and empathy among students towards the problems of their society through the Extension Education Programmes of the College. To work towards all-round development of the students through regular personality development programmes, soft skill trainings, seminars and co-curricular activities aimed at bringing out their best and to give them an edge over others.

UNDER GRADUATE CHOICE BASED CREDIT SYSTEM (UG-CBCS)

The Choice Based Credit System offers the students a diversity of courses to choose from and the autonomy to decide on the place and time of learning. The Gauhati University has implemented Choice Based Credit System (CBCS) in Under Graduate (UG) level in the colleges affiliated to it from the Session 2019-20.

The undergraduate degree (UG) programme in the Choice Based Credit System (CBCS) will have courses spread across six-semesters of any undergraduate degree course. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of six Semesters covering three Calendar years (Academic Sessions- June to May). The duration of the Odd Semesters (First, Third, and Fifth) shall be June-November and that of Even Semesters (Second, Fourth and Sixth) shall be December-May.

The courses in UG-CBCS of Gauhati University are categorized primarily into three types of courses viz. Core, Elective, and Ability/Skill Enhancement courses. All the core and elective courses will comprise of six (6) credits and the skill courses are of four (4) credits.

Core Courses

Core course is a necessary course that a student must take in order to complete the degree. The number of core courses for Honours and Regular degrees are different.

Elective Course

An elective course is the one for which a student has some kind of freedom to choose from a pool of courses. There are two kinds of elective courses namely Generic Course and Discipline Specific Course. The generic elective courses are those, which can be chosen by a student belonging to any stream, while the discipline specific elective courses are particular to only the discipline concerned. However, a student pursuing an Honours degree course can choose a generic elective from any other discipline except from the Honours course itself.

Ability/Skill Enhancement Course

An Ability or Skill Enhancement course is aimed at providing the student with skill and ability. These courses have four (4) credits each in contrast to the core or elective courses. The ability enhancement courses must be opted by a student and the student can choose papers from a pool of skill enhancement courses.

Dissertation/Project

A student can opt (subject to condition) a dissertation or a project work in lieu of a 6- credit discipline specific elective course in the sixth semester.

The Notion of Credit

A student needs to earn required number of credits in order to successfully complete a degree. The credit is closely related to the number of stipulated classes a student has to complete. The following table indicates the number of credit a student can earn for each type of indicated classes.

Class	Duration	Credit
1 Theory Class	1 Hour	1
1 Practical Class	2 Hour	1

Papers and Credits

The Following table gives you an idea about the number of papers one must take in a certain degree course and the total credit it contains.

Degree	Minimum Requirement	Minimum Credits
UG Honours Degree (All Disciplines)	14 Core 2 Ability Enhancement 2 Skill Enhancement 4 Discipline Specific Elective 4 Generic Elective	148
UG Regular Degree (Science)	12 Core 2 Ability Enhancement 2 Skill Enhancement 6 Discipline Specific Elective	124
UG Regular Degree (Huminities/ Social Science/Commerce)	10 Core 2 Ability Enhancement 2 Skill Enhancement 8 Discipline Specific Elective	124

CREDITS AND ATTENDANCE

To be awarded credit in Core course, Elective Course, Discipline specific elective course (DSE) Generic course (GE) Course and ability enhancements (AEC) including skill enhancement course (SEC) student must have at least 75 percent of class attendance. In case students fails to have at least 75 percent of class attendance he/she will not be allowed to sit for the end semester examination and will have to earn the concerned attendance after successful completion of the subsequent semester.

For Example, if a student fails to secure the necessary credit in the first semester, then he/she can register in the second and subsequent semesters. But only after the successful Completion of the sixth semester, he/she can repeat the first semester to earn the deficit credits.

LEAVE OF ABSENCE

A student having less than 75 percent attendance will not be allowed to appear in the end semester examination (ESE). However, a student earning less than 75 percent attendance may apply for leave of absence on medical ground and/or on the ground of extra-curricular activities as per the guidelines mentioned below.

Medical Leave

Any student securing less than 75 percent attendance due to medical reasons will have to apply for medical leave in the prescribed form accompanied by clear reason(s) for absence to the authorized functionaries within 7 (seven) days from the date of absence. The completed form will have to be supported by a medical certificate from an authorized medical practitioner. The principal will examine each case of medical absence individually and decide whether it merits exemption. **However, the minimum attendance after accounting for medical leave granted will still have to be 75 percent.**

Under no circumstance will a student be allowed to appear for the end semester examination or continue with the programme if his/her attendance, after consideration of medical leave, falls below 75 percent. Further, consideration for medical leave will be subject to the condition that the student must have a minimum of 60 percent attendance.

Prescribed co-curricular activities (CCA) Leave

For absence due to participation in prescribed co-curricular activities the claims for CCA leave will have to be made in a prescribed form and supported by authenticated certificate from the concerned authority. Only those students, whose names are on the list of student made available by the principal as being allowed to participate in such activities, will be considered for CCA leave. The principal will examine each individual case of CCA leave applied for and decide whether it merits exemption. However, the minimum attendance after accounting for CCA leave granted will still have to be 75 percent.

Under no circumstance a student will be allowed to appear for the end semester examination or continue with the programme if his/her attendance, after consideration of leave for co-curricular activities, falls below 75 percent.

EXAMINATION, EVALUATION AND GRADING

EXAMINATIONS

Examination, whether internal or external, theory or practical, would be counted separately for the purpose of considering a student passed or failed.

- If a student does not appear in a paper (internal or external, theory or practical) of an examination, he/she will be considered failed in that paper. And, any paper where a student fail will be called an “Arrear” paper of that student.
- In case a student fails in any one or more paper in an end semester examination, she/he can appear in all the paper in which she/he failed.
- A student having Arrear in external examination, either in theory and practical paper, shall be allowed chance to clear the same in the next available end semester examination, with the following restrictions.
 - No student will be allowed to appear in the first and fifth semester examination simultaneously.
 - No student will be allowed to appear in the second and sixth semester examination simultaneously.
- The first and the fifth semester examination will be held simultaneously, while the third semester examination will be held separately. Similarly, the second and the sixth semester examination will be held simultaneously. While the fourth semester examination will be held separately.
- A student may be allowed once to reappear in any one of the honours theory papers in each of the first, second and third semester for betterment of marks if the candidate secured pass mark in all paper. Students will be allowed to reappear only in the next similar examination. Marks obtained either in the earlier examination or the subsequent examination, whichever is higher, will be awarded to the student.
- No betterment will be allowed in internal and practical examination in any semester.
- A student must pass all her/his semester examination including arrear and betterment chance within six years from the date of admission to the first semester. In this context, six year means six academic sessions. In the event of a student failing to do so, she/he will have to take fresh admission in semester. Subject to the said condition, a student who could not appear or who fails in any semester examination will be allowed chance to clear the same as follows.
 - a) First semester with regular third semester examination
 - b) Second semester with regular fourth semester examination
 - c) Third semester with regular fifth semester examination
 - d) Fourth semester regular sixth semester examination

- There shall be no scope for a student to appear as private candidate in any course under CBCS system.
- The schedule of examination will be as per the concern academic calendar. The exact dates of examination and related information will be notified by the office of the controller of examination, Gauhati University, Guwahati.

EVALUATION

A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student performance in each semester for every course/paper will be based on the following:

- Internal assessment (IA)
- End semester examination (ESE)

For a student to pass in a course/paper, she/he has to pass in both internal assessment and end semester examination separately.

INTERNAL ASSESSMENT (IA)

Internal Assessment will ideally account for 20 percent of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measure will be adopted for distribution of marks earmarked for Internal Assessment.

- Sessional or midterm examination will be conducted for 50 percent of the total marks allotted for AI of a course/paper. For example, if 20 marks is allowed for IA of a course/paper, then 10 marks will be kept a side for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting question(s) and covering the syllabus and the marks secured by the student will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question paper of sessional or midterm examination will be set by the concerned teachers and the evaluated answer scripts will be shown to the student and corrections will be made, if any.
- 20 percent of the marks allotted for IA will be awarded to the student based on class attendance. If the total mark for IA is 20, then 4 (four) marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category.
 - a) Class attendance from 76 percent to 80 percent - 1 marks
 - b) Class attendance from 81 percent to 85 percent - 2 marks
 - c) Class attendance from 86 percent to 90 percent - 3 marks
 - d) Class attendance from 91 percent and above - 4 marks

Rest 30 percent of the marks allotted for IA will be distributed and awarded on the basis performance of the students on the following criteria.

- a) Home assignment
- b) Seminar/group discussions
- c) Performance of co-curricular activities

END SEMESTER EXAMINATION (ESE)

The ESE will comprise of 80 percent of the total marks earmarked for a course. The ESE shall be of three hours duration for a course whose ESE component exceeds 50 marks. For a student to pass in a course/paper he/she has to pass in both Internal Assessment and end semester examination separately.

For odd semester, ESE will be held in the month of November and for even semester, the examination will be held in the month of May.

PASS MARKS

The pass marks in any course/paper will be as follows.

- Theory paper 30 percent
- Practical paper 40 percent

A student must pass in both internal and external examinations of a paper (theory and practical) separately if she/he has to pass in that paper.

Passing a UG course in any subject does not automatically imply qualifying in honours, if any. The following rules will be apply for the Bachelor Degree in any subject with Honours.

- **Simple Pass:** 30 percent to 39 percent marks in aggregate *i.e.* from CGPA 4.00 to less than CGPA 5.00
- **Pass with honours:** 40 percent marks or above in aggregate in honours subject *i.e.* minimum of CGPA 5.00

In case a student with honours in any subject secures less than 40 percent marks in aggregate (*i.e.* CGPA less than 5.00) but 30 percent or above in the honours subject, she /he shall be declared Simple Pass.

In case of project works or dissertation, it shall be separate paper with separately allotted marks and cannot be treated as part of any other theory paper. Pass marks for project work or dissertation will be 50 percent.

NUMBERS OF ATTEMPTS

- A student who has completed a semester may be allotted to proceed to the next semester, irrespective of the number of paper in which she/he fails.
- In order to complete an UG degree, a student must obtain pass marks in all the paper prescribed.
- A student having failed to fill in his examination form in the first semester may be allowed to appear in the second semester if all other eligibility criteria are fulfilled.

SELECTION CRITERIA FOR DIFFERENT COURSES
